Ahoy, Shipmates, Wives and Families,

As we navigate the waters of another year, we cherish the strong ties that bind us together. It is our shared history, filled with moments of bravery, camaraderie, and honor, that keeps the spirit of the USS Hornet alive.

I hope you all had a wonderful holiday season.

It is now time to think about the 2025 Reunion in Nashville, TN. The Reunion will be October 6-11, 2025, at the historic Millennium Maxwell House Hotel. We look forward to reconnecting with old friends and sharing the stories that keep the legacy of the USS Hornet alive.

The published hotel check-in time is 4 pm. You may cancel up to 72 hours prior to arrival without penalty. The hotel is holding a limited number of rooms until the group block is full or September 6, 2025. The room rate is \$129.00 + taxes, with a hot breakfast buffet during the official reunion dates. The reunion information is included in this issue of the Buzz along with a reservation form.

Let's make this reunion a memorable one for everyone. Your presence and participation will add to the happiness and camaraderie that we all cherish. Please make your reservations early to secure your spot and ensure a smooth planning process for everyone involved.

We are getting a lot of return mail because the addresses are incorrect, and the mail cannot be forwarded. Please, if you are planning on moving, fill out the form and return it to us or send us an email with your new information. This is costing the Association extra money. Marianne, our treasurer, is working very hard to keep our expenses in line.

Sandy Burket, Secretary

NOTE:

We will again be having our silent auction and 50/50 raffle at the reunion. We ask that you bring something representing your state to be auctioned off. Thank you in advance.

FROM THE CHAIRMAN OF THE BOARD

Ahoy, Y'all

I hope you are as excited about Nashville as Irene, and I are. Ray has put together some really great activities for our reunion. We are having a hot breakfast buffet for each day of the reunion. You can extend your stay 3 days before and 3 days after at the reunion rate.

We have had a wonderful experience joining forces with our shipmates from the USS Constellation. They are a great bunch of sailors and families.

I would like to mention a couple of things. Families are always welcome at our reunions. There is going to be a silent auction at the reunion along with a 50/50 raffle. So, bring something that you think would be a great donation and representative of your state.

Last year, Ray suggested shipmates share stories of their experiences on the ship. I'm thinking this year we get up and tell everybody about your first day on the ship. My first day, I highlined over to the Hornet from an oiler during a typhoon. Oh, man, that's a good story. Those few minutes in a boatswain chair were very exciting. There is more to that story, but you will have to wait to hear it.

Plan on supporting the Ships Store, run by John Webster (johncw@yahoo.in) He has some really great stuff at the store, shirts, jackets, caps, sweaters, sweatshirts and some new challenge coins.

Oh ya...we are planning a big and fun surprise at the dinner this year. So get your tickets and plan on a fun evening. Make your reservations early because the block of rooms will sell out early.

We hope you have a happy and safe spring and summer. Irene and I look forward to seeing you in Nashville, TN.

Respectfully submitted,

Kenn Livingston, Chairman of the Board

A VIEW FROM THE HORNET

By Rolf Sabye, Hornet Association / Museum Liaison

March 2025

As I am writing this article, I'm looking out the window to a beautiful early spring morning. Our Rio Vista golf course where we live looks great, and I will be out there later this morning, hoping for a good round with my fellow golfers.

As always, this time of year, life at the USS Hornet Museum is picking up, with improved attendance, youth overnight visits, and a variety of unique events. More on that in a bit.

For our aircraft enthusiasts, I want to mention a fun visit to the Museum. We live about ten miles from Travis Air Force base. Since I have access to the base, I occasionally go to the PX and Commissary. During one of my visits a few months ago, I decided to visit their Aviation Museum. They have an incredible display of near new and vintage Air Force aircraft, as well as many historic displays. I spoke with several volunteers, and mentioned the USS Hornet Museum, which none of them had visited. Well, a few weeks ago I met a couple of them at Alameda Pier, and brought them onboard for a great tour. They were fascinated with the ship, but also with our great collection of restored Navy aircraft. They said they would be back with other Travis volunteers in the near future. New friends for the Hornet.

I was recently contacted by Dr. Matthew Fash, the National Coordinator of the United States Navy Memorial Stories of Service Program and Student Interview Program. This year, one of their East Coast schools visited the USS New Jersey, interviewed Veterans, and created short documentaries to Honor, Recognize, and Celebrate the men and women of the Sea Services, past, present, and future; and to Inform the public about their service. One of their West Coast schools is near the USS Hornet, and he wanted to see if they could arrange a visit for their student team to work on the same project that their East Coast team just completed. I should mention that Matthew is the proud grandson of AM1 Philip Antonello, survivor of the USS Hornet CV-8. He reminded me of his visit to the Hornet with his grandfather some years ago, where I escorted them around the museum. He felt it would be an honor for the USS Hornet to be the first museum ship for their West Coast students to visit.

Their vision of the visit would be for the students and teacher advisors to film their experiences, impressions, and knowledge gained by touring the ship. The student team would also interview any Veterans willing to share their service memories from their time on Hornet. Any museum team members willing to share their experiences and reflections of maintaining and telling Hornet's story would also be an outstanding addition to their documentaries. The documentaries would then be presented at a student film festival presented by the Navy Memorial on May 22nd and aired on all Navy Memorial platforms on Memorial Day for a National audience.

I have passed his request to the museum leadership, in hopes of scheduling this worthwhile effort.

Updates from the Museum

From Ship Operations: "In 2024, we were able to repair the main water line from the pier, install a new electrical box on the flight deck, restore the L1 Elevator Pit, Repaint J.O.B., identify main leak points and repairs on the flight deck, restore the Crow's Nest, update the safety lighting in Special Weapons, and so much more! In 2025, our main priority is to fix all the leaks in the Flight Deck to minimize the water damage from unopened compartments."

From Air Group & Tours: "We were able to add a new Firepower Tour as well as finalize the restoration of our T-28 Aircraft Project. Our F-4 Phantom project is also almost completed as we place the final decals this month."

From Radio Group: "In 2024, the ARDC Grant helped us to repair the Hornet antennas and update our communications equipment. This allowed us to make over 2,200 radio contacts! We were also able to appeal to the Navy to have the Hornet's historic active duty call sign, NBGC, reinstated."

We are also proud to report over 55 community events were hosted on deck in 2024! Our most popular being our July 4th Celebration, Monsters Bash Halloween Party, and Apollo 11 Splashdown!

Sampler of upcoming events

March 14 – 15. We hold our overnight youth scavenger hunt. This event includes some parents.

March 15. Special restoration behind the scenes tour. More detailed than regular visits.

March 22. *CarrierCon.* This is a special event held each year, where the Museum engages with new audiences and broadens awareness of the Museum and its mission of education and preservation of history and science. This event allows fans to not only enjoy one of the most unique conventions in the United States but to discover the USS Hornet in a way entirely unique to them.

All quiet at the Museum, Alameda Pier 3

That's it from the Hornet. As always, you can contact me at my new email sabyegrp2@gmail.com or at 707-374-5053 or cell. 925-785-0112 if you have questions or concerns. I'm always available to help. So, until my next edition, stay safe and healthy. Hope to see you on the Hornet.

Wishing you smooth sailing. Rolf Sabye, Hornet Association / Museum Liaison

Taps

Heavenly Father, welcome home those whom you have called before us and grant peace and consolation to their families. Like a ship that's left its mooring and sailed bravely out to sea, so, our loved one has sailed away in calm serenity. But there is a promise of a greater joy than earth can have in store, for God has planned a richer life beyond the Unseen Shore.

WELCOME TO MUSIC CITY!

Everybody wants to go to Nashville!!!

The number one tourist destination in America, Nashville, is BOOMING! The sights, sounds and lights are dazzling and there is so much to see and do. We have an exciting reunion planned with a fabulous lunch cruise with entertainment on an authentic Paddle Wheeler, *Nashville Night Out* with live music and dinner, a riding tour of this amazing city, and a backstage tour of the famous *Grand Ole Opry*.

HOTEL INFORMATION

Official reunion dates are Monday, October 6 through Saturday, October 11, 2025. We will be staying at the historic *Millennium Maxwell House Hotel* with a stunning and sordid history.

Located just outside the noise and bustle of the city, the hotel offers a free shuttle to downtown all day and into the night. This makes it easy for you to explore some of Nashville's terrific restaurants and Honky Tonks, without having to drive or find parking.

The most reliable way to make reservations is through the online booking link. See the reunion website for the link to make your hotel reservations online. Once you click on the link it will take you to the hotel website, where you will enter your arrival/ departure dates and pertinent information. The site should automatically populate your group name and discounted group rate of **\$129+ taxes**. *A hot breakfast buffet is included during official reunion dates*. We expect this reunion to sell out of rooms. We have a limited number of rooms at this rate. **Once they are gone, rates will increase**. Make your reservations soon.

You may also try the hotel front desk (Press "0") at 615-259-4343 and reference the USS Hornet and Constellation Reunion to get the group room rate of only \$129+ taxes.

For those who choose to arrive early or stay late, the same room rate is available 3 days before and 3 days after the official reunion dates, based on availability. You may need to call MRP (number below) for assistance if you wish to come early or stay late.

The published hotel check-in time is 4pm. You may cancel up to 72 hours prior to arrival without penalty. The hotel is holding a limited number of rooms until the group block is full or **September 6, 2025**, whichever comes first. We expect a sell out so it's best to make your reservations now! If you have any trouble getting rooms at the group rate, even if they say the hotel is sold out, or have questions on the program call MRP @ 817-251-3551 or email:
