Hello Shipmates, family, and friends,

I hope you are preparing for the reunion. Military Reunion Planner has organized another excellent event. I'm excited to visit Nashville and see everyone. Our attendee's list is growing, we are close to having our block of rooms full. Get your reservations in now to ensure that you have a room.

President SuzAnne Eubanks and Chairman Kenn Livingston have arranged entertainment for our Farewell Banquet. Both acts sound great.

Treasurer Marianne Gezich has moved. Her new address is in this newsletter. Please update your records for the Association.

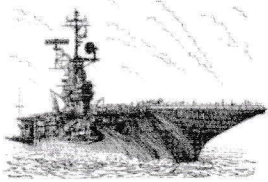

The Association members are aging and passing away. We often receive news of a shipmate's passing. Thank you for informing me about the passing of shipmates. Please continue to provide updates regarding any changes in address, phone number, or email. This helps maintain our database accurately. Keeping us informed also reduces postage costs by avoiding sending newsletters and dues notices to deceased shipmates.

Our Association website, **www.usshornetassn.com**, provides information about reunions, the ship's store, and members. It is now listed on the USS Hornet Museum website. Please visit both websites and inform your fellow shipmates about them. The ship's store can also be accessed through the website, where you can find items such as caps, shirts, sweatshirts, challenge coins, and more. Tom McTigue manages the website effectively, and John Webster oversees the ship's store.

Please do not forget to bring something representing your state for the raffle and we will be having a 50/50 ticket sale.

Respectively submitted,

Sandy Burket, Secretary

FROM THE CHAIRMAN OF THE BOARD

“By their hat’s you shall know them”. This was a saying of my father-in-law who was a Navy machinist mate. who served aboard a destroyer escort in the Pacific during WWII. In later years He frequently wore his DD-35 hat and loved exchanging stories with other former sailors who proudly wore their hats. He usually started out with “what year did you serve?” as an icebreaker. It never failed to elicit a response and many times a story. This seems to be something that all of us former sailors of the Hornet can relate to. We see this happening at our reunions. This is the fellowship and comradery among the former sailors we share at our reunion. It extends to the families of shipmates who have passed, who continue to attend because of this connection.

That said, please join us in Nashville to meet up with old friends and new. You may even hear a few new stories and a few new hats.

Ray Casey, from Military Reunion Planners, has some great tours scheduled for us in Nashville. We also have some entertainment planned for our Fairwell dinner.

Kenn Livingston, COB

From the Treasurer:

I have recently moved. The new address is:

USS Hornet Association, Inc
455 Stonegate Way
Manteno, IL 60950

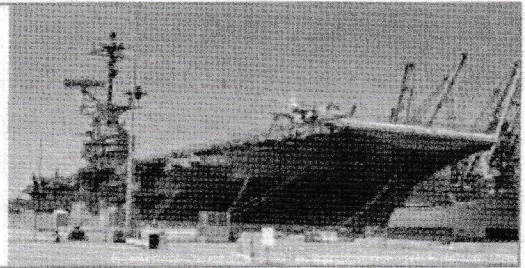

The phone number and email address remain the same: 417-840-6684 and mgezich@aol.com

If anyone has sent dues payments between March 30 and April 30, and the checks have not cleared, please let me know. The Postal Service has had problems forwarding my mail and I am afraid they have been lost.

Marianne Gezich, Treasurer USS Hornet Assoc.

A VIEW FROM THE HORNET

By Rolf Sabye, Hornet Association / Museum Liaison

JUNE, 2025

We are on the road again in Southern Oregon. So, this edition might be a little abbreviated. On the way we drove past beautiful Mt. Shasta at 14,160 ft. and it was still covered in snow on a bright sunny morning.

As I mentioned in my last issue, I had been contacted by Dr. Matthew Fash, the National Coordinator of the United States Navy Memorial Stories of Service Program and Student Interview Program. This year, one of their East Coast schools visited the USS New Jersey, interviewed Veterans, and created short documentaries to Honor, Recognize, and Celebrate the men and women of the Sea Services, past, present, and future; and to Inform the public about their service. One of their West Coast schools St. Vincent De Paul College Prep High School, is near the USS Hornet, and he wanted to arrange a visit for their student team to work on the same project that their East Coast team just completed.

I managed to have five former crew members, including myself, attend the event. Ted Kolda, Tim Wilson, Larry Silva, Dale Berven and me. The student team interviewed each of us at our former duty stations and encouraged us to share our experiences and reflections from our time on the USS Hornet. Suffice it to say, these young high school students, both boys and girls, inspired us with their attentiveness, interesting questions, and just great behavior. They took notes as well as videos of the event. They all thanked us, shook our hands and seemed to have truly enjoyed their day on the Hornet. Below is the YouTube link to that tour sent to me today from the High School Director of the program.

Big news from the Museum's Air Group

Last month, the USS Hornet Museum finally acquired an F/A-18 Hornet. It arrived from Pensacola, FL. courtesy the United States Air Force onboard a massive Lockheed C-5 Galaxy, arriving at Oakland's International Airport. The F/A-18 was loaded on a flatbed truck and brought to Alameda where it was lifted on to and welcomed aboard the museum. This very F/A-18 is historically celebrated as being in the Gulf War in 1991 and recorded the very first "kill" of a MiG-21 on the opening day of the conflict. It will now spend several months being meticulously restored by our volunteer aircraft restoration crew before being officially added to our other aircraft displays. You can watch the delivery and on-load on YouTube by entering one of the links below in the YouTube search window.

Sampler of upcoming events

June 14, Night Ops: Live-Aboard Overnight Adventure

For those who wonder how an aircraft carrier works. Come aboard and spend the night living with history on the ultimate overnight adventure and find out how USS Hornet's sailors lived and worked on this city at sea! Designed for ages 7 and up, this is a perfect group activity for scouts, youth groups, schools, friends, and families!

June 28, an Evening of Comedy on the USS Hornet

Join the museum for an evening of great stand-up comedy! The USS Hornet is partnering with the Alameda Comedy Club to bring visitors and an evening of laughs.

July 4th

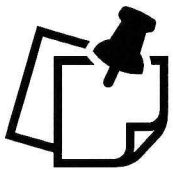

The USS Hornet will celebrate Independence Day with a big Steel Beach BBQ on the Flight Deck with music, food and beverages! The Flight Deck will be converted into a Steel Beach BBQ Party! We will have music playing, food and drinks to purchase, tables and chairs, tours of the Island, some games for you to play and in the afternoon, and a Flyover by the Memorial Squadron!

USS Hornet CVS-12 at sea, 1969

That's it from the Hornet. As always, you can contact me at my new email sabyegrp2@gmail.com or at 925-785-0112 if you have questions or concerns. I'm always available to help. So, until my next edition, stay safe and healthy. Hope to see you on the Hornet.

Wishing you Smooth sailing. Rolf Sabye, Hornet Association / Museum Liaison

NOTE FROM THE PRESIDENT!

USS Hornet Reunion Attendees,

So, I'm looking forward to seeing everyone in our home city. If you have a few extra days and want to explore different venues, then please feel free to email me at seubanks63@hotmail.com or call/text 615-498-9599.

If you are not taking the Nashville City Tour on Wednesday, you may want to uber or drive over to Broadway. There is a unique food venue with ample parking right off Broadway. It has underground parking, and you take the elevator up to Assembly Food Hall. There is usually live entertainment and there are dozens of food venues. You can sit and look out over Broadway. Of course, there are dozens of other restaurants on Broadway.

Fun things in the Broadway area that I can attest to include a tour of the Ryman Auditorium, the Johnny Cash Museum and the Frist Art Museum.

If you are into shopping – there are 3 great options: 1) Green Hills Mall (a little “uppity”), 2) Cool Springs Galleria and 3) Opry Mills.

If you love quaint towns, drive a short distance south to Franklin. And, if you love whiskey – there are lots of places in town, but they tell me the drive south to Jack Daniels Distillery is a great venue to visit.

For the history buffs, we are Civil War central – lots of places to explore - just ask. There is also the beautiful Cheekwood Estate and Gardens and The Hermitage (home of Andrew Jackson).

2025 USS Hornet Association President

SuzAnne Eubanks (Niece of Mabra Walley and the late Murdock P. Walley)

Taps

Heavenly Father, welcome home those whom you have called before us and grant peace and consolation to their families. Like a ship that's left its mooring and sailed bravely out to sea, so, our loved one has sailed away in calm serenity. But there is a promise of a greater joy than earth can have in store, for God has planned a richer life beyond the Unseen Shore.

USS CONSTELLATION & HORNET 2025 REUNION

Nashville, TN | October 6-11, 2025

WELCOME TO MUSIC CITY!

Everybody wants to go to Nashville!!!

The number one tourist destination in America, Nashville, is BOOMING! The sights, sounds and lights are dazzling and there is so much to see and do. We have an exciting reunion planned with a fabulous lunch cruise with entertainment on an authentic Paddle Wheeler, *Nashville Night Out* with live music and dinner, a riding tour of this amazing city, and a backstage tour of the famous *Grand Ole Opry*.

HOTEL INFORMATION

Official reunion dates are Monday, October 6 through Saturday, October 11, 2025. We will be staying at the historic *Millennium Maxwell House Hotel* with a stunning and sordid history.

Located just outside the noise and bustle of the city, the hotel offers a free shuttle to downtown all day and into the night. This makes it easy for you to explore some of Nashville's terrific restaurants and Honky Tonks, without having to drive or find parking.

The most reliable way to make reservations is through the online booking link. See the reunion website for the link to make your hotel reservations online. Once you click on the link it will take you to the hotel website, where you will enter your arrival/ departure dates and pertinent information. The site should automatically populate your group name and discounted group rate of **\$129+ taxes**. *A hot breakfast buffet is included during official reunion dates*. We expect this reunion to sell out of rooms. We have a limited number of rooms at this rate. **Once they are gone, rates will increase**. Make your reservations soon.

You may also try the hotel front desk (Press "0") at 615-259-4343 and reference the USS Hornet and Constellation Reunion to get the group room rate of only \$129+ taxes.

For those who choose to arrive early or stay late, the same room rate is available 3 days before and 3 days after the official reunion dates, based on availability. You may need to call MRP (number below) for assistance if you wish to come early or stay late.

The published hotel check-in time is 4pm. You may cancel up to 72 hours prior to arrival without penalty. The hotel is holding a limited number of rooms until the group block is full or **September 6, 2025**, whichever comes first. We expect a sell out so it's best to make your reservations now! If you have any trouble getting rooms at the group rate, even if they say the hotel is sold out, or have questions on the program call MRP @ 817-251-3551 or email:

RayCasey@MilitaryReunionPlanners.com

Airport Transportation & Parking

The *Millennium Maxwell House Hotel* is located at 2025 Rosa L Parks Blvd, Nashville, TN, 37228

The closest airport is Nashville (BNA). The hotel doesn't have a shuttle. We suggest you try Uber or Lyft. For those driving, self-parking is free at the hotel. Call the hotel if you need directions.
